The **2016-17 School Performance Reports** are designed to share school and district information collected by the New Jersey Department of Education directly with parents, educators, and communities. The Department believes that the greatest potential to improve school performance and student outcomes is through parents, educators, and community members working together. These reports seek to make that process easier by providing information that can help people to:

- **Learn more:** The School Performance Reports contain a wealth of data, going far beyond a school's test scores to include information about the staff working in a school, student discipline rates, and the sports and clubs offered.
- **Ask questions:** These reports can help start a conversation, but they cannot answer all the questions you might have about schools in your community. Use the contact information provided to engage with faculty and administrators at your schools to ask about the data you see in these reports.
- **Get involved:** Schools need help from parents and communities to help students succeed. Contact your school to find out about school board meetings or parent and community groups.

Navigating through the reports:

- Download this report to a PDF by clicking the Export icon at the top of the page.
- Search for specific text or words in these reports by using the search box at the top of the page.
- The menu bar at the top of the page or the table of contents at the left of the screen can be used to move between sections of the report.
- The arrow buttons at the top left of the screen can be used to move between pages of the report.

Enrollment Trends by Full and Shared Time

This table shows the number of full and shared time students. The full time equivalent is the number of full time students plus half the number of shared time students.

Enrollment Status	2016-17
Full Time Students	913
Shared Time Students	32
Full Time Equivalent	929

Enrollment by Home Language

This table shows the percentage of students by primary home language. Only the top 5 languages with at least 1% of students are shown. All other students are included in Other Languages.

English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the *Partnership for Assessment of Readiness for College and Careers* (PARCC) assessment for the school and each student group. The PARCC assessment has five performance levels, where levels 4 and 5 (met or exceeded expectations) indicate students have demonstrated readiness for the next grade level/course and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the accountability proficiency rate, the annual target, and whether the school or student group met its annual target as required by the *Every Student Succeeds Act (ESSA)* accountability. Student groups with the annual target section grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

Mathematics Assessment - Performance by Test: Algebra II

This table shows participation and performance on the Mathematics section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment by end of course exam. This table shows by school and student group the number of valid test scores and the mean scale score for the school, district, and state. It also shows the percentage of students at each performance level and the percentage of students who met or exceeded expectations (Level 4 or 5) for the school and the state.

This section shows whether students have gained the knowledge and skills identified in the Biology section of the Science Core Curriculum Standards as measured by the End of Course Biology test. The assessment has three proficiency categories. Students performing at "Proficient" and "Advanced Proficient" have demonstrated readiness for the next grade-level/course.

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. Among those behaviors are participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of students out of all 11th and 12th grade students in the school and across the state, who enrolled in one or more AP or IB course, the percentage that took one or more AP or IB exam, and the percentage of students taking one or more exams who received at least one score of at least 3 on AP exams or 4 on IB exams.

Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one **dual enrollment** course in the school and across the state. **Dual enrollment** courses allow high school students to enroll in college courses for credit prior to their high school graduation.

AP/ IB Courses Offered

This table shows the students enrolled in AP/IB courses and the corresponding exams that were taken. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with scores of at least 3 on AP exams or 4 on IB exams. In the last two rows, students taking multiple exams are counted more than once.

Career and Technical Education Participation

The chart below shows the percentage of students within the school and state who were enrolled in courses in approved Career and Technical Education (CTE) programs. Students enrolled in shared-time CTE programs in a county vocational school district are included in both the county vocational school and their sending school.

CTE Participants

(completed only one course in an approved CTE program)

CTE Concentrators

(completed two or more courses in a single approved CTE program and/or completed the entire CTE program)

Structured Learning Experiences Participation

The graph below displays the percentage of students within the school and state who participated in Structured Learning Experiences (SLEs). SLEs can include work-based learning programs, internships, apprenticeships, and service learning experiences and can be paid or unpaid.

This section shows information about student absences which provides important information about a school's culture and climate. In addition, research shows that student absences impact a child's ability to succeed in school. The New Jersey Department of Education selected chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, excused, unexcused or for disciplinary action, is considered absent unless permitted by statute or regulation.

Chronic Absenteeism

This table shows the percentage of students in grades K-12 in the school and each student group who were chronically absent. This table also shows whether the school and each student group met the ESSA accountability targets for 2016-17.

Student Group	% Chronically Absent	2016-17 Target	Met 2016-17 Target

School Day

This table shows the start and end times and length of school day for a typical student at this school. **Instructional time** is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher.

Category	School
Typical Start Time	7:40AM
Typical End Time	2:30PM
Length of School Day	6 Hrs 50 Mins
Full Time - Instructional Time	5 Hrs. 16 Mins.
Shared Time - Instructional Time	3 Hrs. 30 Mins.

Violence, Vandalism, HIB, and Substance Offenses

This table shows the number of incidents reported by type. A single incident may be counted under multiple incident types. The total unique incidents provides a non-duplicated count of incidents. The final row shows a rate of incidents for every 100 students enrolled in the school.

Incident Type	Number of Incidents
Violence	5
Vandalism	1
Weapons	0
Substances	3
Harassment, Intimidation, Bullying (HIB)	6
Total Unique Incidents	15
Incidents Per 100 Students Enrolled	1.61

Student Suspension Rate

This table shows the percentage of students who received one or more in-school suspensions, one or more out-of-school suspensions, and one or more suspensions of any type during the school year. Students receiving both in-school and out-of-school suspensions will be counted in all rows of the table. Students who received more than one suspension are counted only one time in each category below.

Suspension Types	% of Students
In-School Suspensions	4.1%
Out-of-School Suspensions	2.3%
Any Suspension	5.3%

Student Expulsions

This table shows the number of students who were expelled from the school during the school year. An expulsion is when a student is removed from a school and does not receive any further educational services during the school year.

Category	Number of Students
Expulsions	0

Technology Readiness

This table shows information that was collected through the optional NJTRAx survey to determine a school's technology readiness. The student to device ratio shows the number of students for every computer or tablet in the school. The internet speed is the internet bandwidth per 1000 students enrolled in the district measured in megabits per second. The connectivity between schools is a school's LAN network architecture. The NJTRAx survey is optional for schools, so data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device (BYOD) policy may have appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio	Internet Speed	Recommended Internet Speed	Met Recommended Speed?	Connectivity between Schools	Recommended Connectivity	Met Recommended Connectivity?
2016-17	1:1	320.7 kbps	100 kbps	Yes	Fiber	Fiber	Yes

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs).

This section contains information about staff that are assigned to the school and district. Here is an explanation of some of the **key terms used in the staff section**:

Faculty: All classroom teachers and educational support services personnel (such as Librarians, Nurses, Counselors, and Child Study Team members)

Teachers: All classroom teachers

Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators

Full-Time Equivalent: In calculations, staff members are weighted based on the percentage of their time that they are assigned to a school or district. For example – a teacher assigned to a school half time would be weighted 50% in calculations, but a teacher assigned to a school full time would be weighted 100% in calculations.

Teachers – Experience

This table shows information about experience for teachers assigned to this school and across the state.

Category	Teachers in School	Teachers in State
Total Number of teachers	73	120,724
Average years experience in public schools	11.3	11.8
Average years experience in district	11.2	10.5
Teachers in district for 4 or more years	71%	74%

Administrators – Experience (District Level)

This table shows information about experience for administrators assigned to this district and across the state.

Category	Admin. in District	Admin. in State
Total Number of administrators	14	9,506
Average years experience in public schools	17.7	15.9
Average years experience in district	17.7	11.6
Administrators in district for 4 or more years	86%	74%

Student to Staff Ratios

This table shows the number of students per staff member in the school and district. Ratios for librarians, nurses, counselors, and child study team members are only reported at the district level because many staff in these jobs are assigned only to the district and not to individual schools.

Staff Type	School Students: Staff	District Students: Staff
Teachers	13:1	11:1
Administrators	116:1	111:1
Librarian/Media Specialists		780:1
Nurses		780:1
Counselors		260:1

Accountability Indicator Scores and Summative Rating

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of comprehensive support. This table shows the indicator scores for each indicator included in the accountability system and the weights that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative rating below the 5th percentile or high schools with a 4-year graduation rate that is less than or equal to 67% are identified for Comprehensive Support. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Indicator	Indicator Score	Indicator Weight
English Language Arts Proficiency	68.00	17.5%
Mathematics Proficiency	62.00	17.5%
Graduation - 4-Year	53.20	25.0%
Graduation - 5-Year	44.10	25.0%
Chronic Absenteeism	43.80	15.0%
Progress Towards English Language Proficiency (coming 2018)	N/A	N/A
Summative Score: Sum of all indicator scores multiplied by indicator weights		53.6
Summative Rating: Percentile rank of Summative Score		54.9
Requires Comprehensive Support: Summative Rating is less than or equal to 5th percentile		No
Requires Comprehensive Support: 4-year Graduation Rate less than or equal to 67%		No

** Indicator scores are only calculated for inclusion in ESSA accountability if data is available for at least 20 students.

† Indicator weights for this school were adjusted due to data availability.

Accountability Summary by Student Group

New Jersey has developed a school accountability system as required by the *Every Student Succeeds Act (ESSA)* to identify schools that are in need of Targeted Support. Any student group where the summative score would be in the bottom 5% of schools (see previous page) is identified for Targeted Support for a Low-Performing Student Group. If any student group is identified for Targeted Support, this will be noted in the Schoolwide row in the table. Schools in which one or more student groups miss annual targets for all indicators two years in a row are identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups miss annual targets for all indicators are noted to be At Risk for being identified for Targeted Support for the 2017-18 school year. Annual targets for proficiency and graduation rate are set based on a school or student group’s performance in 2015-16. The target for chronic absenteeism is the statewide average for all students. For more details on accountability targets, see these [accountability resources](#).

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

 <p>Highlights:</p>	<ul style="list-style-type: none"> • MHS was ranked 61st among NJ high schools by US News & World Report and again made the AP Honor Roll. • Seven varsity sports won state group or sectional titles during the 2016-2017 school year. • The MHS Media Center underwent a complete renovation with new furniture, LED lighting, and new wall & floor treatments.
 <p>Mission, Vision, Theme:</p>	<p>The administration and staff of MHS believes in the potential and promise of all learners. To that end, MHS offers students the opportunity to experience an academy model within the context of a comprehensive high school. Through participation in one or more of MHS's four academies, students can earn college credits and/or develop important vocational skills. Supported by its 1:1 technology initiative, the cornerstones of MHS's instructional program are academic rigor and personalized learning.</p>
 <p>Awards, Recognition, Accomplishments:</p>	<p>MHS has the distinction of being one of only 220 districts in the US & Canada named to the AP Honor Roll multiple times. Additionally, MHS was ranked 61st among New Jersey high schools by US News & World Report. Character education continues to be an important part of the MHS mission, highlighted by a score of 97% (76/78) under the Anti-Bullying Bill of Rights. Finally, grant partnerships with Power Save Schools and Sustainable Jersey emphasize MHS's commitment to sustainable energy solutions.</p>

 <p>Courses, Curriculum, Instruction:</p>	<p>MHS, ranked 61st in NJ, uses curriculum that is aligned to the NJSLs and meets the needs & interests of diverse learners. In addition to our honors, general education and life skills classes, 17 AP courses are offered. For students with specialized interests, they can enter one of three Academies - Finance, Health Careers, and Engineering. Through Georgian Court's Course Ahead Program and the Health Careers Academy's affiliation with Rutgers, students can earn college credits while at MHS.</p>
 <p>Sports and Athletics:</p>	<p>Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Bowling (Boys & Girls), Cross-Country (Boys & Girls), Field Hockey (Girls), Football (Boys), Golf (Boys), Gymnastics (Girls), Ice Hockey (Boys), Lacrosse (Boys & Girls), Soccer (Boys & Girls), Softball (Girls), Swimming (Boys & Girls), Tennis (Boys & Girls), Track and Field - Spring (Boys & Girls), Track and Field - Winter (Boys & Girls), Wrestling (Boys)</p> <p>MHS continued its tradition of success in the athletic arena finishing 2nd in the Shop Rite Cup for Group 2 schools in NJ. The scoring for this award is based on a school's cumulative championships and ranking across all sports. State Sectional Championships in Football and Girls Swimming, as well as Group Championships in Baseball, Golf, Girls Basketball, & Boys Bowling helped propel MHS to this position. MHS Surf Team took home its 3rd consecutive state championship, establishing a dynasty.</p>
 <p>Clubs and Activities:</p>	<p>Manasquan High School houses a wide array of extracurricular clubs and activities, from honors societies to civic organizations and the performing arts. Each year, hundreds of students participate in Squan-a-thon, a 12-hour dance-a-thon to benefit children with cancer, raising over \$250,000 over the last three years. In addition, the MHS Robotics Team has earned distinction competing in the FIRST Tech Challenge, designing, building, testing, and programming robots to perform a series of tasks.</p>

 <p>Staff and Professional Learning:</p>	<p>Through quality professional development, our educators increased their effectiveness to promote high student achievement. Educators attended several of the more than 30 teacher-led workshops on current strategies on Student-directed Inquiry, Flipping the Classroom, 3D Design, Up Close & Personal with Text, Challenging Behaviors, Vertical Articulation & Canvas. A summer program with lead teachers and monthly meetings introduced new teachers to the school's culture, practices & expectations.</p>
 <p>Postsecondary Information:</p>	<p>Students from the class of 2017 were accepted into a prestigious & diverse group of colleges & universities. 92% of students planned to attend 4 or 2-year post-secondary schools. Over 5% of students planned to enter the workforce, while nearly 2% planned to enlist in the military. Through Naviance, students were guided through the college & career planning process, including required testing and financial aid resources. MHS continues to administer the PSAT to 10th & 11th graders annually.</p>
 <p>Student Supports and Services:</p>	<p>In addition to the comprehensive services provided by the Manasquan High School Child Study Team, MHS offers a complete English Language Learners program, a Freshman Transition program, student mentoring/tutoring through PEERS, and guided college & career guidance through Naviance. MHS Life Skills program completed its 2nd year, blending academic, daily living, personal/social, and occupational skills into integrated lessons designed to help students learn to function independently in society.</p>
 <p>Student Health and Wellness:</p>	<p>To complement its Health & Physical Education curriculum, MHS offers courses in the Academy of Health Careers. Through its partnership with Rutgers University, students have the opportunity to earn college credits in Nutrition, Anatomy & Physiology, Emergency and Clinical Care. MHS again partnered with Simplified Culinary Services to ensure that students have access to a variety of affordable and appealing foods that meet health and nutrition needs as well as state and federal requirements.</p>
 <p>Parent and Community Involvement:</p>	<p>In addition to a motivated PTO and Big Blue Booster Club, MHS partners with a variety of community stakeholders such as the MHS Endowment & Alumni Foundation and the Manasquan Athletic Hall of Fame. Bi-annual parents' nights, open houses, freshman orientations, and fine & performing arts shows welcome the community to our halls to see the best of our programs. MHS continues to value communication with parents through Genesis Parent Portal, the Canvas LMS, and Honeywell Instant Alert System.</p>

Facilities:

Despite its age, MHS continues to undergo renovations to meet the needs of 21st century learners. A \$20,000 donation from the MHS Endowment & Alumni Foundation transformed our school Media Center into an innovative commons area for students with LED lighting, new furniture, and updated wall & floor treatments. Gym lighting was also upgraded to LED. This work precedes a \$7 million construction project that will see the installation of 3 new science labs and the renovation of 3 existing labs.

Other Information:

As our building began going through necessary physical changes, Manasquan High School maintained its commitment to rich and diverse course offerings. Students from the communities of Avon, Belmar, Brielle, Lake Como, Manasquan, Sea Girt, Spring Lake, and Spring Lake Heights attended MHS in 2016-2017, amassing an enrollment of 960 students. There were 260 students in the senior class, as well as 256 juniors, 220 sophomores, and 224 freshmen. MHS continued to operate on a two-semester block schedule, as it has done since 1998-1999. Honors and Advanced Placement courses were offered in English, History, Mathematics, Science, Art, Psychology, French and Spanish. For the first time, MHS offered AP Human Geography. New AP courses for the 2017-2018 school year were also approved, including AP U.S. Government and Politics, AP Laboratory Environmental Science, AP Computer Science Principles, and AP French Language and Culture. MHS began developing its newest academy, the Academy of Public Safety. In 2017-2018, this academy will join the Academy of Finance, Academy of Health Careers, and Academy of Engineering, running classes in Public Safety and Criminal Investigation. These four academies allow students the unique opportunity to pursue a specialized educational model within the setting of a comprehensive high school. So much of what our students and faculty were able to accomplish in the 2016-2017 school year was due to our continued 1:1 technology program. Students utilized their personal Dell Venue tablets to engage in personalized, student-centered learning while mastering the 21st century skills needed for college and careers. Safety remained at the core of our daily operations with new policies and procedures to better fulfill our district Emergency Management Operation Plan.
